Select Sessions you would like your child to attend:

_____ June 3, 4, 5 & 6: *The Great Outdoors*

Children will experience the joy of camping indoors while exploring our dramatic play campsite complete with tent and campfire! They will assemble trail mix, design pet rocks and experiment with solar smores.

_____ June 10, 11, 12 & 13: *Color Crazy*

Children will explore the rainbow through their senses while creating their own masterpieces using a variety of colorful media! Icy Painting, Fizzy Trays, and other bright surprises will be included in the fun!

_____ June 17, 18, 19 & 20: *Under the Sea*

Children will investigate the depths of the ocean and the sea creatures within while "diving" into water sensory play, creating their own coral reefs and designing an ocean in a box.

_____ June 24, 25, 26 & 27: *Out of this World*

Children will be intrigued while designing constellations, experimenting with fizzy space rocks and making telescopes; all with a finale of launching Alka-Seltzer rockets!

_____ July 8, 9, 10 & 11: *Construction Junction*

Children become architects and their imaginations go wild as they create, design, and build using a variety of exciting materials including a child-sized wrecking ball!

_____ July 15, 16, 17 & 18: *Discovering Dinosaurs*

Children go back to the age of the dinosaurs as they act as paleontologists and excavate their own dinosaurs in "land" and ice. They will create their own "fossils and skeletons" and build a volcano for an eruption of fun!
